

# What is a School Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective Compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

## Jointly Developed

The parents, students, and staff of Center High School worked together and shared ideas to develop the school compact. Parent meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs.

**Parents are welcome to contribute comments at any time.**

## Preparing students for their future!
